ENVIRONMENT FOR INNOVATION

JECworld
International Composites Event
Paris, March 14-15-16-2017

UNDERLYING MAGIC

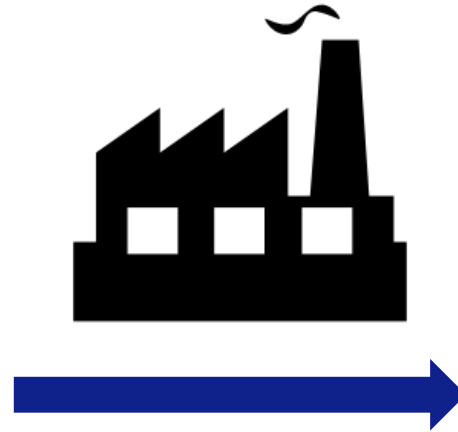

Proprietary
nano-engraving of
bulk metals with
125,000 dpi
uncopiable features

APPLICATION

Nano-engraved
mold

Standard
production

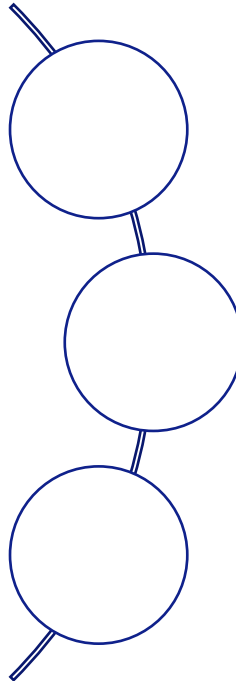

Secured plastic

PRODUCT-EMBEDDED BRAND PROTECTION

Morphotonix

Nano-holograms

Hidden features

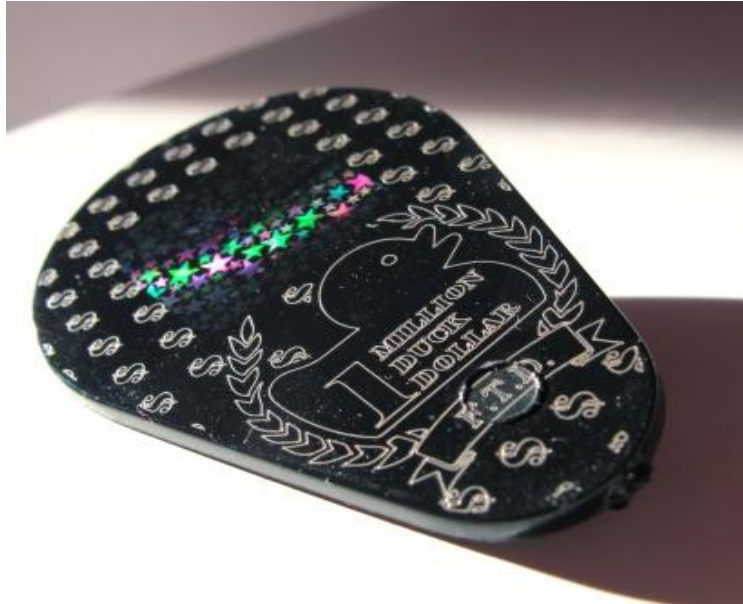

Forensic security

Patented technology platform

Veronica.savu@morphotonix.com
